ESTIMATED TOTAL	$1200.00

Legal Disclaimer and Acknowledgment

Scope of Work and Binding Estimate

This Project Quote serves as a binding estimate of the proposed services and associated costs for the project. The quote is based on the scope of work outlined in the project proposal and as understood at the time of quoting. Please note that the final service costs may vary marginally depending on unforeseen events associated with the project's dynamics. Bush Drone Data LLC guarantees that the final invoiced amount will not exceed or fall below the quoted amount by more than 20% for the services outlined. This estimated variance accounts for unexpected difficulties that may arise during the execution of the project or efficiencies that may be discovered as the work progresses, however, Bush Drone Data always strives to adhere as close as possible to the original quoted amount. Any changes or additions to the scope of work may result in an adjustment to the final project cost, but the client will be notified accordingly.

Insurance Coverage

Bush Drone Data LLC confirms that all drone operations are conducted under comprehensive insurance coverage, ensuring protection against potential liabilities during the project for both the client and Bush Drone Data LLC. Specific details of coverage can be provided to client upon request.

Payment Terms

Bush Drone Data LLC reserves the right to require a **25% deposit** upon acceptance of this quote. The remaining balance is due within 30 days of project completion and delivery of the final invoice. Payments for services rendered by Bush Drone Data LLC can be made via cash or check to **Bush Drone Data LLC**. Failure to remit payment within 30 days will incur a 20% monthly penalty on the outstanding balance, which will be added to the total due each month until full payment is received

Cancellation Policy

Cancellation of the project and/or termination of the contract **within 48 hours** of the scheduled start date will result in forfeiture of the initial 25% deposit. If a project must be rescheduled due to unforeseen circumstances (e.g. inclement weather, health issues, operational hazards) the 25% deposit will not be forfeited, but will be applied to the rescheduled project. If a revision of the original quote is necessitated, the 25% deposit will be applied towards the new quote.

Validity of Quote

This quote is valid for 30 days from the date of issuance. After this period, Bush Drone Data LLC reserves the right to revise the estimate.

Client Responsibilities

The client is responsible for ensuring safe and legal access to the property for drone operations and providing any necessary permissions or documentation required for the project.

Confidentiality Clause

All project details and deliverables are confidential and will not be shared with third parties without prior written consent from the client.

Acknowledgment of Accuracy

Bush Drone Data LLC acknowledges that this quote is accurate to the best of our knowledge and accurately represents the services outlined.

Non-Survey Disclaimer

The client acknowledges that the dataset(s) provided by Bush Drone Data LLC is not to be used for land surveying purposes, as defined by the Alabama Land Surveyors. This data is for informational and illustrative purposes only and should not be construed as a legally binding survey.

Permission for Aerial Flight(s)

By signing this document, the client hereby gives permission for Bush Drone Data LLC to conduct aerial flights over their property on the agreed upon proposed date.

By signing below, I acknowledge that I have read, fully understand, and agree to the terms and conditions outlined in the Legal Disclaimer and Acknowledgement provided by Bush Drone Data LLC. Furthermore, I agree to and accept the estimated costs detailed in the Project Quote and commit to all outlined payment terms
